2015 Firefighter-EMT Entrance Examination

RESULTS and **TOTAL POINTS RANKING**

Produced on: 11/03/2015

OVERVIEW

On behalf of Mayor Muriel Bowser and Gregory M. Dean, Chief of the District of Columbia Fire and Emergency Medical Services Department (DCFEMS), thank you for participating in the 2015 Firefighter-EMT Entrance Examination. **This examination represents the first step in our Department's hiring process.**

Results and rankings for the Entrance Examination are attached in a detailed report. You may determine your exam score and Total Points Ranking by searching your last and first name or application number. **An explanation of how your Total Points Ranking was determined is included on the next page of this report.** This report will be posted to the DCFEMS website which can be accessed by visiting http://fems.dc.gov.

It is **very important for all Firefighter-EMT applicants to continuously maintain updated contact information** by using the District Government Career Opportunities website which can be accessed by visiting http://careers.dc.gov. Please access the "Log In" page of the site using the same Username and Password you created to submit an application. **Please make certain your mailing address, telephone number and e-mail address are correct or immediately update your information if any of it has changed.** The Department's Human Resources Office will be unable to contact you concerning the status of your application unless this information is correct.

During the month of October 2015, each applicant who participated in the Entrance Examination will be e-mailed their ranking score. **This "registry" of applicants will be used until at least June 27, 2017 or until it is exhausted.**

During the months of November and December 2015, the DCFEMS Recruiting Officer will begin individually contacting applicants concerning their applications. Currently, the Department anticipates a class of 30 recruits to begin training in early 2016. Each applicant will be required to submit documents and other information as part of the employment suitability assessment process. **If you claimed an employment preference as part of your application, you will also be required to submit documents and other information supporting your claim as required by District Law and Personnel Regulations.** If applicants cannot meet suitability requirements, they may be eliminated from consideration for hiring and removed from the registry. **A conditional offer of employment will not be made to an applicant until all suitability requirements are met.** Moving forward from January 2016, the Department will continue to contact applicants listed on this registry for employment suitability assessment processing (as needed) until the registry expires or is exhausted. More detailed information concerning employment suitability, required documents and other information will be provided to applicants when contacted by the DCFEMS Recruiting Officer.

Firefighting and Emergency Medical Services careers involve physically demanding work. **Our Department uses the Candidate Physical Ability Test (CPAT) developed by the IAFF/IAFC Wellness-Fitness Task Force as an employment standard.** Applicants are encouraged to learn more about the CPAT by visiting http://www.iaff.org/HS/CPAT/cpat_index.html. A CPAT orientation video, produced by the California Fire Fighter Joint Apprenticeship Committee, can be viewed by visiting http://www.youtube.com/watch?v=SqeVJPclOy0.

This report contains complete information concerning exam scores, preference points, total points and total point ranking. There were **3,774** applicants who **took the exam and passed.** The **highest passing exam score** was **99.24.** The **lowest passing exam score** was **72.34.** The **average passing exam score** was **92.26.** Your exam score is shown in Column 4 of the report. The entrance examination score was **counted as 70% of Total Points.** Your weighted exam score is shown in Column 5. Applicants who claimed **District Residency preference** received **10 additional points**. 1,349 (or **36% of applicants**) claimed this preference. Applicants who claimed **Child and Family Services Agency (CFSA) Foster Care Program preference** received **10 additional points.** 22 (or **less than 1% of applicants**) claimed this preference. Applicants who claimed **Veterans preference** received **10 additional points.** 138 (or **4% of applicants**) claimed this preference. Your preference points are shown in Columns 6 through 8 of the report. **Total Points** were calculated by **adding the weighted exam score (70%)** and **each preference points category (10% each).** Total Points were ranked highest to lowest, creating a **Total Points Ranking.** Your **Total Points** and **Total Points Ranking** are shown in Columns 9 and 10 of the report.

HOW TOTAL POINTS WERE CALCULATED

1. Applicant information is shown in Columns 1 through 3. Your exam score is shown in Column 4.
2. Your weighted exam score is shown in Column 5. Your exam score **counts as 70%** of your **Total Points.**
3. If you claimed **DC residency** preference, **10 points** are shown in Column 6. DC residency **counts as 10%** of your **Total Points.**
4. If you claimed **CFSA Foster Care** preference, **10 points** are shown in Column 7. CFSA Foster Care **counts as 10%** of your **Total Points.**
5. If you claimed **Veterans** preference, **10 points** are shown in Column 8. Veterans preference **counts as 10%** of your **Total Points.**
6. Your **Total Points** are shown in Column 9. **Column 5 + Column 6 + Column 7 + Column 8 = Total Points** (Column 9).

HOW TOTAL POINTS WERE RANKED

Your **Total Points Ranking** is shown in Column 10. Most point totals were tied. Ties were broken by first applying residency preference, then by sorting application numbers in **descending** order. For example, if four applicants had identical point totals, but two claimed residency preference, the applicant claiming residency preference with the **higher** application number would be ranked **first,** the applicant claiming residency preference with the **lower** application number would be ranked **second,** the applicant **not** claiming residency preference with the **higher** application number would be ranked **third** and the applicant **not** claiming residency preference with the **lower** application number would be ranked **fourth.**

HOW TO FIND YOUR RESULTS

This report is divided into 3 sections. The **first section** (beginning on **page 4**), sorts results by **Last and First Name** (Columns 2 and 3, highlighted in blue).The **second section** (beginning on **page 108**), sorts results by **Application Number** (Column 1, highlighted in blue). The **third section** (beginning on **page 212**), sorts results by **Total Points Ranking** (Column 10, highlighted in blue).
